### Curtis Walker Joins Wood Partners

Curtis Walker

[Wood Partners](#) has hired **Curtis Walker** as part of its acquisitions team. Walker has worked in the real estate industry for 29 years, and has 23 years' experience in the multifamily sector. He recently served as senior vice president of the Southeast Region with Trammell Crow Company. He has previously served with Post Properties, Fairfield Residential and AMLI Residential. He is based in Atlanta.

Walker will focus on the Southeast and Southwest regions. Fellow new hire Don Foster will cover the Mid-Atlantic and New England regions. They work with National Acquisition Director Jay Jacobson, who focuses on top twenty markets west of Texas.

"This gives Wood Partners a tremendous advantage in a competitive market for existing multifamily properties," says CFO/COO Joe Keough. "Our network of development partners in 13 offices nationwide gives us in-depth knowledge to perform superior on-the-ground research. Curtis and Don enhance our in-house expertise as we move aggressively on the acquisition front."
